NOTICE TO MEMBERS

2019 TWO-COAST FORUM ON SOLID WASTE MANAGEMENT

28th September 2019
Xi'an, China

Dear members,

The HKWMA plans to organise a delegation to attend the **2019 Two-Coast Forum on Solid Waste Management**, which will be held in Xi'an, China on the 28th September 2019.

As an annual event, the Two-Coast Forum on Solid Waste Management is an excellent opportunity of gathering scholars, professors, engineers and experts from Mainland China, Hong Kong, Macau, and Taiwan to contribute their experiences and update on regional progress made in the field of waste management.

Last year, the forum was hosted by Chinese Institute of Environmental Engineering (CIEnvE) at Taiwan and had attracted more than 100 delegates from Mainland China, Taiwan, Macau, and Hong Kong. This year, this forum will be hosted by China Association of Urban Environmental Sanitation (CAUES) at Xi'an in China, and co-organized by HKWMA, Chinese Institute of Environmental Engineering (CIEnvE) at Taiwan, and the Macau Institution of Engineers. All the talks for the forum will be delivered in the afternoon of the 28th September 2019, and the forum technical tour will be arranged in the morning on the same day. The latest schedule of the forum is attached with this notice. There is no registration fee for the forum. The language used at the forum will be **Putonghua** and there will be no simultaneous translation service available.

The Executive Committee has decided to sponsor full members of HKWMA to attend the forum by offering **up to HK\$3,000 for each attending member**. If more than 10 qualified applications are received, a total of HK\$30,000 sponsorship will be equally shared by all the attending members.

If you are interested in attending the forum, please submit your application form to our Young Members Chapter (YMC) at the e-mail address: ymc@hongkongwma.org.hk on or before **5:00 pm on 19th August 2019 (Monday)**. Late application will not be considered.
