Dear HKWMA Members,

Hong Kong Waste Management Association (HKWMA) would like to invite you to join our technical visit to The Billie Upcycling, a textile recycling plant located in Tai Po, on **28 May 2021** (Friday).

Please note that the visit will be conducted **in English**. For more details, please see the itinerary on the next page.

Please mark the date and register via the link below no later than **22 May 2021 (Saturday)**. We can only accommodate **20 members** in this event, so please act quickly!

Registration link:

[https://docs.google.com/forms/d/e/1FAIpQLScW4nRjUJC8hpBN-ssaxpX\\_J5TyJqF1xyunJlIDUXii0dAvg/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLScW4nRjUJC8hpBN-ssaxpX_J5TyJqF1xyunJlIDUXii0dAvg/viewform?usp=sf_link)

Each applicant is required to pay **\$100 deposit for the registration**. As this function is free for HKWMA members, members will receive the refund of the deposit at the day of visit.

We will send you a confirmation email if you have been successfully signed up. Please pay to HSBC Account no.: **404-625600-833 (Account holder: Chan K. H.)** and email us ([ymc@hongkongwma.org.hk](mailto:ymc@hongkongwma.org.hk)) a copy of your receipt. However, please **do not pay without the confirmation email**.

CPD certificates in electronic form will be delivered via email to the participants after the visit.

If you have any queries, feel free to contact us via e-mail [ymc@hongkongwma.org.hk](mailto:ymc@hongkongwma.org.hk).

Kind Regards,

Activity coordinators of HKWMA

### **Technical Visit to The Billie Upcycling**

#### **Date, Time & Meeting Point**

28 May 2021 (Friday), 3:00pm – 6:00pm

Meeting Point: Entrance of Hong Kong Productivity Council, 78 Tat Chee Avenue, Kowloon

#### **Fee**

Free for HKWMA Members and \$100 for non-members.

Each applicant is required to pay \$100 in advance for registration.

#### **Language**

English

#### **Programme Highlight**

While most recycling processes require high volumes of water and chemicals to make useable yarns, The Billie System provides an innovative way to revive excess inventory, unused raw materials and textile waste. It combines new and existing technologies to create a waterless solution for recycling textile waste, lowering harmful effects to the environment. This mechanical recycling system does not consume water or produce chemical waste.

The Billie System has been recognized in numerous innovation awards globally. It has earned a Gold Medal in the International Exhibition of Inventions of Geneva and a Bronze prize in the 2019 Hong Kong Green Innovations Awards (HKGIA).

#### **Itinerary**

<b>Time</b>	<b>Programme</b>
